

FREEDOM MONTESSORI ENCORE AFTER SCHOOL PROGRAM

Freedom Montessori's Encore After School Program is for the children of Freedom Montessori, providing them a safe, creative and fun educational program after school.

You **must enroll** in our After School Program if your child will be here after 3:30 any day of the week. If you do not enroll, we will assume you are picking your child up at 3:30 p.m. We will have them waiting in line at the front doors to be put in your cars by our teachers (something new this year). Any parent arriving after this time will have to pay late fees as stated in the parent handbook. The cost of this program is \$135.00 per month regardless of when your child is here. Payments will be due the first of every month from August – May.

- If you register for Encore at anytime throughout the year. However, if you register in the middle of the month a full \$135.00 will be due that day.
 - If your child does not stay for the entire duration of afterschool, you will be charged the \$135.00 monthly.
 - Your child will be served a healthy snack.
 - This program will be housed in our cafeteria and our gym.
 - You must give a two week written notice for your child to be withdrawn from Encore.
 - You must come in and sign out your child if you pick them up from after school.
-
